

Description of the *30 Days* Supplemental Resources (DVD's and CD's)

30 Days Supplemental DVD's

The *30 Days* Lecture Series (DVD)

The *30 Days* is based on four lectures on worship by Robert Webber. These lectures will be very helpful to the pastors for *sermon preparation* of the *30 Days* because they provide greater information (biblical, historical and theological) for discussion and the application of the *30 Days*. The four lectures (30 minutes each) correspond to the four DVD presentations of *30 Days*.

The *30 Days* Lenten Guide CD

The *30 Days Lenten Guide* includes a beginning study on Ash Wednesday (and service) and an ending study on the Great Paschal Vigil (an ancient Easter service. Service included). The four weeks of the *30 Days* are added in the middle to look like this:

Week #1	Ash Wednesday
Week #2	God's Story
Week #3	How worship enacts and proclaims God's story
Week #4	How we respond to God's story
Week #5	How music, space and the arts serve God's story
Week #6	Preparing for Holy Week

The *30 Days* is very appropriate for Lent because the focus is on the centrality of the death and resurrection of Jesus Christ to worship.
