INSTRUCTIONS:

All these instructions for planning the *30 Days* are found on the CD

How to Get Started

The *30 Days* concept is very simple and so are the instructions. Here are all the steps you need to follow to assure the involvement of as many people as possible.

1. Initial Steps.

- Preview *30 Days* with your staff and key leaders (especially worship/choir leader). Obtain the support of your staff.
- Secure the dates.
- Announce one month beforehand (use “Initial Bulletin Announcement” p.7).

2. Preparation Steps.

- Appoint one person to organize the small groups.
- Appoint a leader for each small group and give that person the “Small Group Leaders Guide,” (p.10).
- Place the “Posters” around the church (use Poster p. 8).
- Publish the “Schedule” in the bulletin, (use “Schedule Announcement for Bulletin” p. 9).
- Gather the names of the people who will participate.
- Begin to prepare the four sermons. See “Sermon Resources” (pp.15-28) and “Sermon Topics and Suggestions” (pp.29-33).
- Order sufficient additional DVD’s for each group (if needed). Order additional book *Together We Worship* for each small group member (use the “Order Form”, p.48).

3. Resources for the Four Weeks of doing the *30 Days*.

- Use the “Bulletin Inserts” designed for each week of the *30 Days*, (pp.11-14).
- Preach the suggested “Sermon Topics” (pp.29-33), using the “Sermon Resources” (pp.15-28).
- Make sufficient copies of the DVD presentation “Outlines and Discussion Guides” (pp. 34-47) for each small group meeting. *Each* person should have an outline and discussion guide. The discussion guide asks questions that help to apply the insights of the *30 Days*.
- Strongly recommend are the daily readings in *Together We Worship* because the content expands the DVD insights.

4. Conclusion.

- Enjoy a potluck dinner and discuss “Where Do We Go From Here?” (p. 49).
